

CA Earned Income Tax Credit (CalEITC) and Young Child Tax Credit

- CalEITC is a state tax credit for working families making less than \$30,000/year
- The Young Child Tax Credit (YCTC) is for workers with at least one child under age six
- *New* - Individual Tax Identification Numbers (ITINs) filers are eligible for both credits (as are those with social security numbers [SSNs])
- Average credit is \$3,000/family (Federal EITC, CalEITC, YCTC combined)
- Some families could receive as much as \$8,053
- Free filing, and help with tax prep and filing, at www.myfreetaxes.org or text “taxes” to 211-211
- Filing is open now, and the deadline is April 15th
- Spread the word: Materials at first5association.org/CalEITC
